KNOW THE WAY OF SALVATION

To win others to Jesus, one must know the Way of Salvation, Jesus said, "If the blind lead the blind, they will both fall into the ditch." Winning others to Jesus should be the first, and most important business in the life of a Christian. There are two amazing things which become an increasing wonder to those Christians who are learning the fine art of soul-winning. The one is that God should ever have loved lost sinners enough to have saved them and the other is that He should trust saved souls enough to use them. A man who serves in a boiler room on one of the piers in New York City, Mr. C. F. Wilson, has, within the last thirteen years saved from drowning no less than twenty-eight persons. This work has become a passion with him, and he says he is living in the hope of saving a hundred before he dies. Consequently, we, too, must possess a passion within us to win souls to Jesus. This evangelistic purpose is one to be cultivated every day by every follower of Jesus, and this follower of Jesus must himself be in possession of something to cultivate.

Assurance of our own Salvation Must be Possessed.

We are not saved by feelings and creeds and deeds, but by Christ. "Believe on the Lord Jesus Christ and thou shalt be saved." He that believeth not shall be damned." The First Epistle of John was written that we may know (5:13), and here are some of the things that accompany salvation:

1. A NEW WALK, for we cannot be the children of light and then stumble in our walk as do those who are blind: "If we say we have fellowship with Him, and walk in darkness, we lie, and do not the truth." 1 John 1:6.

2. A NEW DESIRE; for if we love our Lord and Saviour, we long to do the things that please Him and honor Him; "And hereby we know that we know him, if we keep His commandments." 1 John 2;3.

3. A NEW CHOICE; we will not have to be dragged into duty, but will show by our decisions that Jesus is first in our hearts. "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him." John 2:15.

4. A NEW DEAL, will possess us; that of Holiness and a desire to be like Him, rather than that of feeling our own standards by those of the worldly and Godless." "And every man that hath this hope in him purifieth himself, even as he is pure. 1 John 3:3.

5. A NEW LOVE WILL CONTROL us and we find ourselves manifesting a peculiar affections for the saved because they are our brothers and sisters in Christ. "We know that we have passed from death unto life, because we love our brethern. He that loveth not his brother abideth in death.

6. A NEW WITNESS will be within us bearing testimony with our own spirit that we are the children of God. "Hereby we know that we dwell in Him, and He in us, because He hath given us of His Spirit. 1 John 4;13. .

7. A NEW POWER has given to us. We know we can conquer the world, can pray with confidence and can understand in a new way God's plans and providences. "For who-soever is born of God overcometh the world; and this is the victory that overcometh the world, even our faith." 1 John 5:4.

Therefore, when we know, and have the assurance of our own salvation, the first inclination and great desire is to lead someone else to Jesus.

—Rev. J. A. Faile
The Searchlight

God of our life, through all the circling years,
We trust in Thee;
In all the past, through all our hopes and fears,
Thy hand we see.
With each new day, when morning lifts the veil,
We own Thy mercies, Lord, which never fail.

PULPIT COMMITTEE

Elected at the business meeting last Friday evening, the Pulpit Committee for the selection of a new pastor at Community Church consists of Mr. Peters, chairman; J. Williard Davis, Mrs. Foote, Mrs. Nichols and A. F. Stein.

APPRECIATION

For the past few weeks in absence of a regular pastor at Community Church, Mr. O. C. Wallace while not an ordained minister of the Gospel, has filled the pulpit on Sunday mornings most acceptably. His messages, of a fundamental type, have all been of a spiritual nature and show a well founded knowledge of the Word of God. Especially have we enjoyed the sermons on prophecy. To our mind, and in agreement with Mr. Wallace, the theme and subject of Bible Prophecy is second in importance only to that of Salvation. Often times there is no greater instrument of power used by the Holy Spirit for the conviction of a sinner than some statement of prophecy concerning our Lord. For instance, one convicted by the Holy Spirit and who really believes that our Lord Jesus is to personally come again to this earth in power and great glory, such a one we say, will seldom hesitate to accept Him as Savior.

Furthermore, a prophetic message apart from the Bible reading of the same, must be delivered by one who thoroughly believes it himself. This we are persuaded Mr. Wallace does believe and so we are pleased to have had him as a Sunday morning speaker.

This coming Sunday the pulpit committee have invited Reverend Harry Galaspy to occupy the pulpit. Rev. Galaspy, while a young man, has resided in Stow for a number of years. Come out and hear him Sunday morning. Worship services start at 10:40 a. m. Bible School is at 9:30 a. m.

HOW LONG, OH LORD!

THE McGOWAN FUNERAL HOME

years in prison by a Chicago judge on January 18, for having beaten a girl to death with his fists and having left her nude body in an alley. The evidence brought out in trial showed that the youth, visiting relatives in the city, had spent a considerable part of a night at a tavern, had been served six whiskies and four bottles of beer inside of one hour, and was never asked for his age of identification papers. In commenting, the judge said: "If he had not been served with intoxicating liquor at the age of nineteen he would not have been standing before me today. If there had been no tavern open at 4:00 a. m. th girl would have been alive." The tavern keeper was not brought into court, and his place is still open, with his bartenders still behind the bar selling more liquor to other men.

How long will Christian Americans tolerate with complacence and careless indifference this monster that ruins our youth, ravishes virtue, destroys the home, and holds us all in the bondage of fear and shame?

STOW GI HOMECOMING CELEBRATION

The opening of the Stow GI Homecoming celebration was heralded by the explosion of attention bombs which were set off about 2:30 p. m. and continued throughout the afternoon.

An enthusiastic crowd watched the Stow GI baseball team come from behind to defeat the Massillon GI's, in an exciting game, by a close score of 7 to 6. The battery for the Stow GI's was Harold Robinson, pitcher; relieved by Frank Burmeister in the eighth, and Dale Palmer, catcher. Highlights of the game were a sparkling bit of defensive third-base play by Clark Bailey, who prevented the tieing run from being scored, and a tremendous home run with the bases loaded by Hank Conley, first baseman.

The High School Band gave a preview in full season form, following which two of the Stow High School football teams scrimmaged for a time.

Refreshments in the form of hot dogs, "sloppy Joes", ice cream, soft drinks and coffee were served throughout the afternoon and evening.

Two clowns provided amusement throughout the afternoon, and were great favorites, particularly with the children present.

A public address system provided music for the crowd until the street dance got under way about 9:00 p. m. Music for the street dance was furnished by the High School orchestra, under the direction of Mr. Russell Gray.

Final event of the evening was a brilliant display of ground and aerial fireworks.

Much credit for the success of the celebration is due Mr. F. B. Bailey, general chairman, and to all other members of the various committees.

Miss Velma Workman, senior advisor at the Stow High School, proved to be a valuable assistant to the registrar inasmuch as she knew most of the boys by name. There were 125 Stow GI's registered, and a good many civilians were on hand to welcome them back home.

TEACHERS RECEPTION

A reception for the teachers will be held in the High School auditorium on Tuesday, Sept. 17 at 8:00 p. m.

This is being sponsored by the Parent Teachers Association.

All parents are cordially invited to avail themselves of this opportunity to become acquainted with the members of our teaching staff.

DELAYED PICTURES

The pictures and copy for same, published in this issue have been on hand for several weeks. One reason for the delay in printing these pictures is a weak tooth in one of the wheels of the press which may break at any time, especially when the extra push or impact is given which is necessary in printing pictures. The larger the picture the greater the strain placed on the weak tooth. Therefore do not expect any more large pictures—unless another type of press is secured to print the paper.

The new Mrs. Ritchie carrying a bouquet of white roses and gardenias, centered with a white maroon-tipped orchid, wore a gown of white lace and tulle. Her finger-tip veil was held by a tiara of seed pearls. Her attendants were gowned in white nylon and carried red roses tied with green satin ribbon. A reception followed immediately in the church parlors. After a honeymoon in the east the young couple will reside at 412 S. Main st., Mansfield, where the bridegroom is employed.

Mary and Colleen Fairbee of Community Church attended the Moody Young People's Conference held at Lake Geneva, Wisconsin the last week in August. The inspiration and instruction received at such a gathering is of great value. It would be well if a number of our young folks could plan their vacations next year so that at least a week could be spent at some such vacation spot.

William Colgate, whose name has achieved world fame in connection with soap, left home because the family was so poor. He started for New York City, and on the towpath an old canal boat captain asked him where he was going, and had a word of prayer with him.

When they arose from their knees the old captain said: "William what can you do?"

"Make tallow candles and soft soap," he replied.

"Well," said the captain, "give your heart to God and ten cents out of every dollar you earn, and maybe God will make you a great soap-maker some day."

Young Colgate did this, then increased his "tithe" to fifteen cents on a dollar, and later to twenty-five, and on up until he was giving half his income to God's work.

In the most recent issue of "Shell-Progress," National publication of the Shell Oil Company, an article "Clean Work at the Crossroads" by Bill Tanner tells the story of Eddie Parsons who has been our local Shell Dealer in Stow for the past sixteen years.

This is the third "write-up" Eddie has received in the National Shell Magazine. This time there are three full pages including ten attractive pictures. To give you an idea of what it is all about we quote the opening paragraph:—

"There's quite a story behind that grin on Eddie Parsons' good natured face. If anybody called him professor he'd just about die laughing; yet he knows more about the art of teaching than many a Ph. D. and that knowledge is likely to keep him doing nicely, thank you, through the days of tightening gasoline—and service markets that are sure to come."

To continue, the general idea seems to be that because of Eddie Parson's reputation for having well trained employees and for building up a gasoline business that in 1930-31 never went over 5000 gal. a month to a present day output of 30,000 a month.—Shell District and National representatives from time to time have brought him new employees to train in the fine points of Service Station Operation. Some of these men after a period of training have gone out to operate stations of their own,—others remain to work in Stow.

Pictures appearing with the article show faces familiar to many Stowites. Homer Cross is one, then there is Bill Horner, Paul Miller, (who now operates his own station) and Abe Nitz. Marty Shiltz, Eddie's right hand man for a number of years does not seem to have been around when the pictures were being made. Also another we think of is Denver Sampson. These men, without exception, have absorbed the doctrine

was united in marriage with Leroy W. Owen. Leroy is a grandson of the late Mrs. Geo. Stone of Deidrick Rd. in Parmalee Heights. He is a graduate of Stow High and since his discharge from the Army is attending Kent State University. After their wedding trip the young couple will be "at home" at 133 S. Willow St. in Kent.

The community was shocked when it heard of the accident of Mrs. Fanny Merkel Chandler when she fell down the basement steps at her home in Parmalee Heights early Tuesday morning. The injuries were so very serious she passed away Wednesday evening soon after seven in the St. Thomas Hospital. Funeral services were held at two o'clock Saturday, the Reverend Joseph E. Henderson officiating with burial in the Kent Standing Rock cemetery.

Mrs. Chandler, the wife of James B., is survived also by one brother Frank Merkel of Brady St. Kent. "Fanny and Jim" had rather recently purchased the former May Ellet home on State Route 5 up on the hill where Jim is recovering from an operation performed this summer, following his serious illness in the spring. The sympathy of their host of friends mingles with that of their relatives.

The Chandlers moved to their present home after selling their nearby Erma Ave. home to the Carnahans of Stow. Mrs. Chandler was born in Stow Township at Stewart Corners, daughter of Mr. and Mrs. John Merkel, her mother was Fanny Walker.

The Walkers and Merkels, being next door neighbors, the Merkels living in the big brick house on Newcomers Rd. Dr. Lois Merkel now of Sharon, Pa., a graduate of Stow High in 1918 relates of the rivalry between the Stows and Walkers over whose baby was the first white child to be born in Stow Township, each family having a baby born to them only a few hours apart.
