GOD'S OWN

The people who have their names on the church roll, without a single exception, should be God's own. Many are the names that are carried on church registers, and that because kindly disposed church officials have felt they must suffer it to be so. The ones referred to habitually absent themselves, they neglect to support the church in any way, perhaps they have moved away, worse still, they have ceased to be God's own.

Napoleon had three thousand select cavalrymen, they were known as Napoleon's Greys or Napoleon's Own. They were the flower of the army, they were prepared to strike quick and terrible when the battle wavered. They were called upon in emergencies, it was they who often decided the fate of the battle. They were Napoleon's Own.

The Marine Band in Washington belongs to the Nation, it is known however as the President's Own. They are select men, professionals, musicians, many of the nation's best, the President's Own.

The Old Book defines a class of the redeemed, the Heaven bound, it speaks of them as a Peculiar People, zealous of good works, the last four words define the sentence. Heaven knows there are many peculiar people, but God's Own are peculiar because they are aflame and actually being consumed in advancing good works.

God's Own, my, what an exalted privilege. God's Own, what unheard and undeserved recognition. Hear, my friend, life is too short, too earnest, too real to shirk, to neglect, to be uncertain as a piker. God's Own have outgrown the curbing of denominational tethers, they say not among the people I am a Catholic, a Jew, a Seven Day Adventist or a Baptist, and that is all that is necessary. That is to say that membership in itself is practically meaningless, the fires of the soul may be burnt out, or never kindled. It's when a church member has his spirit fanned into flame, then, then only, is he God's Own.

Is your name on a church roll? Then come, renew your vows, be a christian. Quit living among the shadows, a grudge in your heart, a chip on your shoulder, always a ghost of misunderstanding to haunt you. That soul within would urge your release.

Come, my friend, assert yourself, come, be God's Own. If you want to know the beauty of the secret of the Lord, just remember your name is on the church roll, then by one mighty effort forgive, forgive I say, forgive everybody, clear the slate, come then and sit near the front seat on Communion Sunday, tell the world you are heartily ashamed of the past, just say, "From

henceforth I purpose to be God's Own."

Friend, it's not a trifling matter to have your name on a church roll. Make it honor your Maker, resolve to be a credit to your family name. Let it no longer be lifeless and meaningless letters on a church roll, but write it anew God's Own.

EVENING CHURCH SERVICES

Considering all things we really had a very good crowd at our last Sunday evening's church services. After a service of song our good minister called for personal testimony and several more than usual responded. This, we are sure, made Rev. Hulme feel that his efforts in conducting an evening service were worthwhile. This next Sunday evening a Mother's Day program will be held at the time of the usual evening service, 7:30 p. m. You are invited to attend.

MEN MEET FOR BUSINESS

Last Friday evening the Men's Bible Class met for business—apples, coffee, cream, sugar, sandwiches and angel food cake—all in the church basement. Here are some of the things that happened:

When we arrived the Minister, Rev. Hulme and Mr. A. S. Phelps were hard at it, discussing world affairs. A most interesting discussion, and, it is to be hoped, they continue at some future time as there are numerous things in this old world that really should be settled.

Business Item No. One. It was decided to have a Minstrel Show. Date uncertain. Bishop, Maxwell and Gromo are member of the committee.

Business Item No. Two. We are going to have a fish fry for everybody. Here is the menu: Pickles, cole-slaw, apple sauce, french fried potatoes, fish, bread and butter, pie and coffee. Besides all this at 7:00 P. M. there will be an outside speaker of either local or national reputation and a male quartette.

There were other business items to consider but the meeting adjourned as Woodring was getting sleepy and wanted to go home (it was about 9:30 P. M.) However, Phelps and Sanner gathered Buck and Woodring around the piano to practice singing and the last named gentleman proceeded to forget all about sleep and was still going strong

"I'll go where you want me to go,
Dear Lord,
Real service is what I desire;
I'll sing a solo any time,
Dear Lord,
But don't ask me to sit in the choir.

I'll do what you want me to do,
Dear Lord,
I like to see things come to pass;
But don't ask me to teach girls and boys,
Dear Lord,
I'd rather just sit in my class.

I'll do what you want me to do,
Dear Lord,
I yearn for the kingdom to thrive;
I'll give you my nickles and dimes,
Dear Lord,
But please don't ask me to tithe.

I'll go where you want me to go,
Dear Lord,
I'll say what you want me to say;
But I'm busy just now with myself,
Dear Lord,
I'll help you some other way."

MAX BIGGS

Max W. Biggs, member of our Bible School Orchestra for more than the past three years and a senior in Stow High School, has recently been awarded an Edward Rector Scholarship in DePauw University. These scholarships, worth $1,000 are considered the most valuable undergraduate scholarships of their kind in the country and are a reward for outstanding scholastic achievement in high school. The class of Rector scholars which will enter DePauw next September is considered the finest in many years, according to Dean Smith.

"We had more than 400 applications for the approximately 100 scholarships which we could award," he said. "These candidates came from high schools in twenty-seven states. We even had one applicant from the Virgin Islands. Each of these four hundred honor high school seniors was eligible for a scholarship in that he had met the minimum requirement of an average of 90 per cent for seven semesters' work and stood in the upper ten per cent of his class. In eliminating three hundred and narrowing the field to one hundred scholarships, it is apparent that those who won this coveted award were generally first in their classes among the men and st- l in the highest possible percentage

in scholarship. It is a distinct honor to receive one of these awards in the face of such competition, and local friends and teachers of local candidates can well feel proud of anyone qualifying even as an applicant whether that person received one of the awards or not."

Rector scholarships are good for four years at DePauw providing that the recipient meets the scholastic requirements on the campus. If held to completion the scholarship pays $1,000 on a graduated scale of $75 a semester the first year; $100 a semester the sophomore year; $125 a semester the junior year, and $175 for the first semester of the senior year and $225 for the second semester of the senior year.

We are glad to commend Max for this achievement, and we wish
