

'... Surprise To Me'

Mullins Cut From Force

A bomb was dropped at Village Council's meeting Aug. 25, and its reverberations are still echoing throughout the Village of Stow.

It came in the form of Safety Committee and the Mayor's recommendation to Council that Patrolman James R. Mullins' (who was still on the legally necessary six month probationary period) appointment not be confirmed.

Mullins, under doctor's care since October after an on-duty cruiser wreck, was cut from the force by a 6 to 0 Council decree. Councilman Earl Garver didn't cast a vote. He said he didn't have enough background on the case to vote either way.

Mullins received his doctor's permission to return to duty Aug. 1. He says superiors kept

postponing his reinstatement, but he didn't see anything unusual in that, and their reasons seemed valid.

"I expected to be back at work by Aug. 15," Mullins said. "The whole thing came as a complete surprise to me."

"I didn't know anything about it until a newspaper reporter called me for a statement the following morning," Mullins added. As of this writing, Aug. 29, Mullins says he still hasn't been officially notified of Council's action.

A special policeman was made a regular while he (Mullins) was on leave of absence, filling the Police Force quota.

Mullins has no legal recourse since he was only a probationary patrolman, as all new men of the force are.

Neither Mayor Monteith or Police Chief Robert Woodard could be quoted on the reasons for dismissal.

JAMES R. MULLINS

7 Stow Sts. Get 82 Lights

Seven Stow Streets will get a total of 82 street lights soon.

Property owners' petitions for the lights resulted in Council's directive August 25 to Utilities Committee Chairman Edward Montgomery to get the street light program rolling.

The lights will cost residents with property abutting the lighted streets .0875 cents per foot of frontage and will be on a five year renewable basis.

The streets to be lit in pursuance to the Ohio Edison franchise are: Lynwood Dr., Genevieve Blvd., Kenneth Rd., Samira Rd., Burton Dr., Osage St. and Liberty Rd.

Holy Family Starts School Sept. 6; 100 Student Increase, 700 Total

School days get under way again at Holy Family Sept. 6, and the faculty will meet Sept. 2 for Organization Day.

Increased enrollment results in an added third section of the first grade for the first time. Sister M. Emmanuel, Holy Family Principal, says the first grade will have about 130 students while total enrollment will near 700.

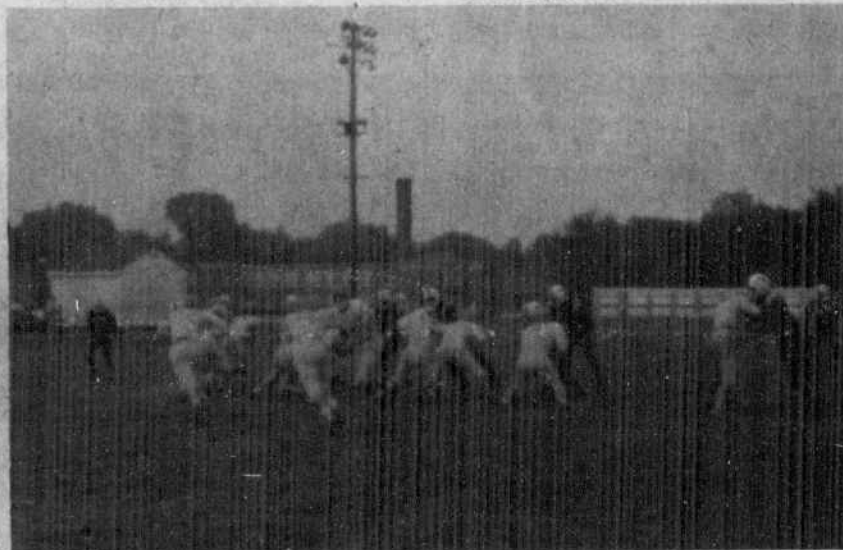

A 100 student increase over last year will force the seventh grade to meet in the school gym for the first two weeks. Then they will move into the chapel which is being converted into classrooms.

This year the seventh grade will be departmentalized as the

eighth grade was last year. Mr. A. Sheehy, the first male ever on Holy Family's staff, will teach the seventh graders Social Science and Math while Sister M. Virginia teaches them language arts, religion and music. Next year this program might be tried with the Sixth grade Sister M. Emmanuel explains.

Sister M. Ligourri will return to Holy Family after several years absence to teach fourth grade.

New lay teachers are Miss Irene Sherman who will teach first grade, fifth grade teacher Mrs. Rosalee Voltz, fourth grade teacher Mrs. Alice Meadows and Mrs. Mary Ann Cannata who will teach sixth grade.

THE BULLDOG OFFENSE, takes off as the Fullback is about to slide off tackle for a short gain in a recent scrimmage. Be sure to see the Bulldogs in action Friday, Sept. 2. (more about the team on sport page.)

Saxe Condemns Bldgs.

Buildings at 3374½ Kent Rd. and 3496 Hiwood Ave. have been condemned as fire hazards

by Fire Chief Ralph Saxe.

The Kent Rd. building houses a furniture refinishing business. Saxe among other things found defective wiring, paint and lacquer containers scattered haphazardly about and no fire proof cabinets for flammable materials. He ordered these conditions remedied and insisted that paint spray booths and exhaust systems be installed within 30 days.

The Hiwood Ave. building is considered dilapidated and beyond repair.

Service Director Joseph C. Hale told Council Aug. 26 that the George Good property on Echo Rd. should be "condemned for human habitation."

Good had been warned by Hale several times to "clean-up" his property.

Councilman Walter B. Kimpton said, after he visited the Good property with Hale, "I could see so much more cleaning up that had to be done I couldn't conceive of anything having been done."

Services Held For D. Mulvaney; Plane Crashed Into Lake Michigan

Memorial services will be held for David Mulvaney at First Christian Church of Stow Sunday, Sept. 4 at 3 p.m., with Rev. Theodore Cord officiating.

Mulvaney crashed into Lake Michigan on Aug. 5, 1960, while on a flight from summer camp in

Wisconsin where he was with 112th Fighter Interceptor Squadron of Toledo Air National Guard.

Born in Akron March 23, 1937, David was the youngest son on the late William Mulvaney and Mrs. Lucy Mulvaney, now of 65 Orchard Dr. They moved to Stow in 1947. He graduated from Stow High School in 1955, attended Kent State University, majoring in Aviation Technology. In May, 1958, he joined the U. S. Air Force, graduating as a Second Lieutenant from Reese Air Force Base in September, 1959.

Full military rites will be accorded Mulvaney at the memorial service. Members of his Squadron will be present, and his group will fly over Stow that afternoon, leaving space for the downed plane in their formation.

A memorial fund is being established in David Mulvaney's name at First Christian Church, where he was active while living in Stow.

Surviving him besides his mother are four sisters, Mrs. Paul Klein and Mrs. Jack Brewster of Stow, Mrs. Richard Hohmeyer of Akron, Mrs. Dale Brown of Cleveland, and two brothers, William and Ralph, both of Stow.

Const. Drawings Start

Village Council agreed to allow Oak Tree Sub-division planners in the Graham Rd., Oak Rd. area to begin construction drawings provided they comply strictly to the Village's new platting ordinance.

It was found that Planning Commission had approved preliminary drawings without having bond agreements and other data submitted to them as stated in the new ordinance.

Shook At Shot

"I'd like your picture, if you please." Then with your hair you fidget, Behind the lens I look at you, All stiff and poised and rigid. The picture's Printed rapidly, Then to you I hand it, Now you scream, "Oh Terrible Why did you shoot me candid?"

Publisher Reviews Mullins Case

We regret we are unable to give Stow Press readers a complete story on the release of James Mullens from the Police Department. We called Councilman Saltis who is chairman of the Safety Committee. He said he had nothing to say and referred us to Police Chief Woodard. The Chief said all he had to say was "no comment." Mayor Monteith said he'd said all he could in his recommendation to Council, which was "Upon due consideration, I regret requesting Council to remove James R. Mullens as patrolman and not finally confirm his appointment as provided by law, Section 737.17 Revised Code of the State of Ohio."

Superficially, the Mullins case looks like this: a patrolman was injured while on duty; after waiting nearly a year for complete recovery, he finally was released by his physician to return to duty, and then, without notice, was fired.

It seems unfair, un-American, and inhumane, doesn't it?

However, I have never known Mayor Monteith to be any of those things. This is the first time I've talked with him or Bob Woodard that they haven't tried their best to give me the fullest information available. Larry Saltis has always been cooperative when we needed facts he was in a position to supply.

I cannot conceive of these three men getting their heads together and saying "Let's get rid of Mullens." There's more to it than that.

My regret is that they were so very inarticulate that "no comment" on their part has led to a great deal of comment on the part of many warmhearted residents, who, when not given a reason for official action, are led to believe there isn't a good one.

Has the action been handled as carefully as possible? Has a good man been tossed aside without good cause? Or have our officials tried to protect the community from someone who would not be an asset to the Force, but tried at the same time to protect his reputation, to the injury of their own?

There is much speculation. We wish we had the facts.

Court House Adds Extra 'r'

To the Editor:

On the front page of this week's issue of The Stow Press there appeared a picture of the newly erected sign bearing the name "Charing Cross Drive." The sign is a great improvement and appreciated by everyone living on the street.

However, the "new comers" on our street have been misspelling the name for the past several years. Why? When did the extra "r" enter into Charing Cross Drive? How did such an error occur? Why do people continue to mis-spell the name when it is obvious that two r's change the pronunciation? These are questions that have been bothering the "old timers."

My purpose in writing to you is to request that you have one of your reporters investigate this matter. Who is correct — the "new comers" or the "old timers?"

Here are some facts that may be of some help: The land originally known as Home Haven Allotment was owned by H. H. Bridgwater. His daughter, Miss Jesse Bridgwater, 185 Grandin Road, Akron, can verify that the street was named after the famous Charing Cross of London, England. In 1927 the Sarff's were the first family to purchase one of the four homes built by Bridgwater. It has been said that some years ago an error was made at the Summit County Courthouse, which was never corrected; thus our street acquired the extra "r."

Please, won't you help clarify this situation, and put the "new comers" and the "old timers" living on the same street?

Sincerely,
Betty Sarff
3573 Charing Cross Dr.

Reporter Reminisces

by Bob Golden

My job here at the Stow Press ends with the summer. I find myself looking sorrowfully toward the rigors of back to

Stow Daughters of America present the Adell Durbin Park Board a new fifty starred flag. Park Superintendent Albert Wilcox accepts the flag from (from left) Mrs. Thomas Sullivan and Mrs. Raymond Agnew.

school. Back to books, professors and confusion.

And speaking of confusion, we have had our share here at 3386 Kent Rd. the past three months. That's when I started working.

There was the time we laid out a beautiful, elaborate ad for a new beauty shop. It looked magnificent. It looked professional. And then we put our telephone number in it instead of the beauty shop's. For days people kept calling and in bewildered voices asking, "Well why can't you set my hair; that's what your ad in The Stow Press said." "We can't fix your hair because this is a newspaper office," we said. But they didn't seem to understand. We gave them the correct number, explained, apologized and felt foolish.

The following week we kept trying to call the beauty shop to find out if they wanted their ad repeated. Of course we always got a busy signal; we were calling ourselves!

I have also spent a great

(Cont. on page 8)

'Concerned' Pleads For Clean-up

To The Editor:

Who is responsible for Meadowbrook Lake? Is it the responsibility of the men who own the lake; or does the responsibility lie with the property owner, given the right to use the lake?

There is nothing in the lot owner's deed that says he must help keep the lake beautiful; neither does the deed say the two lake-owners will keep it nice.

The two men, who own the lake, feel it is the property owners, with lake privileges, who should finance the cost of the upkeep.

Some property owners, tho' their deeds do not require it, do feel some obligation is theirs; and want to share in the cost, maintaining they should pay for the privilege of the use of the lake.

Other property owners feel that, very definitely, they have no responsibility along these lines. They contend, if the lake were theirs, the law would force them to care for it themselves, and not put the expense upon those who do not share in the ownership.

The lake is fast becoming an eyesore and a health menace in

Stow; if it is not that, already. So - again the question arises - Who is responsible for Meadowbrook Lake?

Concerned.

PTA League Openings

The new P.T.A. bowling League still has openings for a few teams.

The League, scheduled to start this fall, has reserved 12 lanes for 48 bowlers from 6:45 p. m. to 9:00 p. m. on Thursdays at Sto-Kent Lanes. Parents and teachers from all Stow Schools will make up the teams.

Those interested in forming a team should contact Mrs. William Kaufmann at OV 8-8134.

Sign Requested For Animal Hospital

Leo J. Kline asked Village Council approval to erect a sign at the site of his Veterinary Hospital under construction at Graham and Wilson Rds.

Kline said the three foot by four foot sign would be raised ten feet high, and lettered "Graham Rd. Animal Hospital."

Council President Grover Shuman told Kline the request required a resolution and referred it to Planning Committee.

HOME & GARDEN CLUB OF STOW

Mrs. Howard Boedicker of Wadsworth will talk and at the same time complete a painting for members of the Home & Garden Club of Stow.

Members are asked to be present promptly at 8:00 p. m. as the speaker will precede the business meeting.

Hostess for the evening of Thursday, Sept. 1, will be Mrs. H. G. Greer, 3653 Darrow Rd. with Mrs. Robert Haas as co-hostess.

Socials and Personals

by Kathy Martin

Did you think to turn your calendar today? Yes, it's Sept. 1, bringing along a "September Song" of "Falling Autumn Leaves" and no doubt "September in the Rain."

Another pattern of living takes over - "back to the old routine." When the children march back to school, parents become involved with P.T.A. meetings, scout work and homework. Everyone goes back to school one way or another.

Here's hoping all the wonderful vacation fun will live in happy memories all during the coming school year.

A newly acquired 15ft. Lyman boat made August 21 a red letter day for Evelyn and Bob Matthews of Adaline Dr. That was launching day at Turkeyfoot Lake for the "Oh Boy", whose name was inspired by the first two letters of the boat license.

Ruth and Dave Walker, Liberty Rd., took three of their four children on a trip to Washington, D. C.

Mr. and Mrs. Donald Barnes, with children Don and Sherry, of Hawthorne Ave., and Mr. and Mrs. G. C. Faulder, Fish Creek Rd., left Stow fully equipped with two shiny new travel camp trailers. They headed for Muskalonge Lake on the upper peninsula of Michigan, across the road from Lake Superior where Mary Barnes celebrated her birthday Aug. 18 with a beach party. There were sight-seeing trips, fishing, swimming and many a fish fry at the camp, where a friendly bear wanted to join the happy campers.

We received a beautiful picture postcard of Pike's Peak from the Pete Cafarelli family of Adaline Dr. "We covered a lot of territory in our travels," it said, and included Bad Lands, Black Hills, Yellowstone, Grand Canyon, New Mexico and Colorado. They spent nearly three weeks on their western U. S. sojourn.

Mr. and Mrs. George Harris, 1440 Meadowbrook Blvd., are newcomers in Stow. They have a 2 year old son G. Michael, and Eric Francis born Aug. 4 who weighed 9 lb. 15 oz.

Councilman and Mrs. Earl Garver and sons David and Terry visited another son, Dr. Emerson Garver, in Marquette, Mich. last week. On the return trip they visited Mrs. Garvers brother Lloyd McCahan in Chicago, and her brother Dewey McCahan in Hartford City, Ind.

Michael Phillips, 15 year old son of Mr. and Mrs. Wendell Phillips, Edgewood Dr., broke his ankle in a "freak accident" while feeding a dog on a visit to his aunt in Grand Rapids, Mich.

Tobyhanna State Park in the Pocono Mts. of Pennsylvania, was the camp site where Mr. and Mrs. Joseph Girard and their two children enjoyed fishing and swimming during a five day vacation trip. They also visited friends in Harrisburg and Lancaster, Pa.

Newcomers to Stow, Mr. and Mrs. Warren Brown, 3628 Elm Rd., and their four sons enjoyed "roughing it" in a cabin on Sturgeon Lake, Minn. while visiting their parents in Hibbing. Warren is associated with Euclid Division of General Motors.

Willis Loucks, Lakeview Blvd., gave his only brother Richard and family the "red carpet treatment" when they arrived for a vacation visit from Wakarusa, Ind.

Mrs. Harry Osman, 3541 N. Sanford Ave. is vacationing in Hawaii with Mr. and Mrs. O. O. Siddall, formerly of Stow. Mrs. Siddall is Mrs. Osman's sister. Mrs. Osman will return to Stow after Labor Day.

Mrs. W. O. Caudill, new president of the Oberlin Women's Club, had breakfast served to the Club's board members in her home at 2094 Graham Rd., August 24th.

Monday Aug. 22 Mrs. Thomas Wyszynski, 3621 Lakeview Blvd. (expecting her fourth child) was the guest of honor at a baby shower held in the home of Mrs. Eugene Donatell, 3131 Englewood.

Kondur - Peterson Engagement

MISS KONDUR

Mr. and Mrs. J. R. Deremer, formerly of 3652 Adaline Dr., have moved to Akron. New address is 277 Watson Ave. Good luck in the "big city".

Mr. and Mrs. Carl Horst, Beech St., expect sister-in-law Mrs. Stanley R. Cummings and her daughter Mrs. Caroline Jones to arrive for a week's visit from Philadelphia.

TAYLORS WESTWARD HO!

If you've missed Bob Taylor's face behind the counter at the Post Office in the past few weeks, it's because he's been on six week's vacation with his family.

The Taylors, complete with son Bill and daughter Kathy, drove to California to see their oldest son, Amel, who is in Naval training. Amel is due home soon on leave before starting in Aviation Electronics School. (He stood highest in his class in several exams, so was able to choose freely his future field.)

The family didn't shoot right out west, but pulled their trailer into Milwaukee first, to see relatives. Then the Wisconsin Dells, Badlands, Black Hills (where buffalo herds took over the road for a while), Big Horn Mts., Reno, Lake Tahoe, Sacramento and San Francisco all got a good look as Taylors made their way across the country.

Bob is enthusiastic in his praise of camping spots, saw many new tent trailers that look ideal for family travel. He says he caused a very fine traffic tie-up when the transmission of his car abdicated on a mountain road, but otherwise had no harrowing experiences.

Mr. and Mrs. Nicholas Kondur of Dearborn, Michigan, announce the engagement of their daughter, Zoe Elizabeth to Laurence I. Peterson, son of Mr. and Mrs. Walter K. Peterson, 4279 Kent Road. A June wedding is planned. The bride-elect will receive a Bachelor of Science Degree from Duke University in February, 1961. Her fiancée graduated from Stow High School and received his Bachelor of Science Degree from Duke University in June. He is a member of Pi Mu Epsilon, Mathematics Honorary Fraternity; Phi Lambda Upsilon, Chemistry Honorary Fraternity; Sigma Pi Sigma, Physics Honorary Fraternity; and Phi Kappa Psi, social fraternity. This fall Mr. Peterson will enter Yale University as a graduate student in Chemistry.

Way Back When

by Frank Green

Mina Gettys, 93 years old, was buried August 23rd on her great grandfathers lot. I think she lived all of her long life in Kent, but some ancestors on both sides of her family were early residents of Stow Twp. Many of them are buried on the big Jesse Post lot.

I came to know this nice old maid very well during the years I had charge of Stow Cemetery. We had a common liking for family records and pride in our ancestry.

She furnished me this record of her mother's family: Jesse Post came to Stow from Saybrook, Conn. in 1832. He bought a large farm from Chester Stone. The land lay between Kent Rd. and N. River Rd., and the buildings were on Kent Rd. The Bridge-waters lived for some time where the old house stood. (Robert Case lives there now.)

I will not give you all of the record, but the first of her family came from England in 1629. Mr. Post was a millwright and contractor. He died on the River Rd. farm in 1863, but his son Levi—Minas grandfather—lived there for 18 years more.

Jesse Post's wife Melaney Rogers lived until she was 98 years old. She died in 1898 at the Gettys home in Kent. Mina certainly inherited her vitality. (This record of the Post family comes from a sketch I wrote sometime ago.)

Now a little about the Gettys side of Mina's family. Paul Gettys came here from Pennsylvania. The town of Gettysburg gets its name from his family. I haven't the date when he came, but he lived for some time on the south side of Graham Rd. They were neighbors of the Grahams, and Mary Graham told me, "they were Irish too."

Paul buried his wife Mary and son Robert in Stow Cemetery. Mary died April 27, 1864 and was 74 years old. Their son Alexander married Mary Annette Post. Mina was their daughter.

Mina had a sister named Clara. Clara married John Hazel. Both are buried on the Post lot as are Alexander and Mary Annette.

The Gettys sisters Mina and Clara had a millinery shop in Kent for some time, and whenever they visited the cemetery they looked as if they had just

stepped out of their shop.

When Alexander Gettys moved from the Graham Rd. farm to Kent, he sold it to Jacob and Anger Hoover. This friendly, oldish couple lived there for many years.

Card Party At Yamakoski

Bridge is in full swing here at Altar and Rosary Society of Holy Family Parish's annual Garden Card Party Aug. 20 at the Silver Lake home of Mrs. Charles Yamakoski. Pictured (from left clockwise) Mrs. Joe Daguanna, Mrs. Frank Micale, Mrs. Bert Campanale and Mrs. Anthony Micale.

Katherine Thomas Death

Long time Stow resident Katherine Thomas (Mrs. Z. H.), 81, died August 22 in Green Cross Hospital, Cuyahoga Falls, after a long illness.

Mrs. Thomas was born in Marietta, Ohio, and came to Stow at 17. She spent the rest of her life here.

Mrs. Thomas is survived by six children; George, now of Marion, O.; Nora E. of Hudson; William, of Stow; Leland, of Philadelphia; Melvin Z., of Stow, and Mrs. Mildred Middleton of Cuyahoga Falls.

Services were held at the Gregory Funeral Home, interment at Stow Cemetery on August 24.

Munroe Falls Pipeline

AROUND TOWN HALL

Preliminary surveys for the long-sought new bridge carrying Route 91 over the Cuyahoga River were started this week by crews from the County Engineers office. Cost of the structure estimated near \$240,000, will be split equally by the County and State. The actual construction of the new bridge cannot begin before early next year. There have been many deaths and many injuries due to auto accidents on the severe curve leading to the present bridge, at the north end, on the highway leading to Stow. This condition has been a prime traffic hazard for many years.

Present plans are to flatten out the curve and relocate Route 91 as far south as the Baltimore and Ohio railroad tracks and as far north as North River Road. There will be a temporary bridge constructed to the east so traffic on the State highway can be maintained during the construction project. The County states that a detouring setup would be too long and difficult since there are no parallel roads in the vicinity and that it would be necessary to keep the present highway open for fire protection and other emergency services located south of the river.

Present plans for the new bridge include a three-span structure with sidewalks for pedestrians.

Mrs. Robert Bronson, 120 Carmia Avenue, has been hired as a part-time secretary by the Village Police Department. To date all police records, preparing affidavits and typing reports has been done by Village Clerk Virginia L. Dove. Now Mrs. Dove will devote all her time to regular Village business.

A brand new up-to-date map of the Village of Munroe Falls has been recently made available by the engineering firm of Sauter, Ritchie and Doane. All Village residents wishing to purchase a copy of this new map may do so

by Vanda A. Wilson

at the Village Hall.

The Ladies Auxiliary of the Village Fire Department will hold their monthly meeting at the Fire Station, Wednesday, September 7, at 7:30.

Members of the Village Planning Commission will meet Friday, September 2, at 7:30, at the Town Hall. Mayor Donald Lyle and members of Village Council will meet in regular session, Tuesday, September 6, at the Village Hall, at 7:00.

Many happy returns of the day to Mr. and Mrs. George Horvath, 194 Munroe Falls Ave., who will celebrate their birthdays September 6 and September 9.

Anniversary congratulations to Mr. and Mrs. Melvin Schneider, 173 Northmoreland, who will celebrate their thirty-second wedding anniversary September 15. The Schneiders have three married sons and six grandchildren.

A joint birthday celebration was observed at the Lawrence Forshey residence, 286 Hunter Street, August 21. Mrs. Argyle Cook, Mr. Forshey's daughter was 24 August 25 while her husband will be 26 on August 31. On September 5, Mr. Forshey will be 54.

Sympathy to the Donald R. Shuster family, 260 Munroe Falls Avenue, on the death of Mr. Shuster's father, Perry Shuster, August 23, at Akron City Hospital.

Dinnerguests at the home of the Joe McCues recently were Mr. and Mrs. Harold McCue of Spencer, Massachusetts, and Mrs. Elwin Lewis and her sons, Bernard and Kenneth, from Wheeling, W. Va.

Stow Bulldogs Green; Fortner Has To Rebuild

Head Coach Dick Fortner finds himself with 77 football players and only one regular returning from last year's team. That is Lynn Jackson who promises to be a defensive stand-out on the line.

This year Fortner will field a predominantly junior team in hopes of building for the future. "If we win a few games I'll be pleased," he says.

In a three-way scrimmage with Hudson and Buckeye (from Medina County) earlier in the week Fortner was highly pleased with the team's defensive play. He pointed out that Lynn Jackson and Ralph Richardson looked particularly good at the defensive tackles. This praise, it must be remembered, comes from a man who last year coached a team that was scored on only once the entire season.

"We didn't look quite as good offensively," Fortner said. "Probably because we played defense for a solid hour before switching over."

The Bulldogs will feature a T-formation with variations this year. "Last year Stow's offense ran from a T and the single wing. They didn't rely much on deception and it's making it harder for the boys this year," Fortner explains. "But they are coming along fine now."

Fortner has two able passers in Kip Koski and Larry Kerr which should aid his offensive punch. He plans a mixed ground and air attack.

When asked to compare this Stow team with his famed Randolph powerhouse in Portage County he says, "These kids

probably have somewhat the same ability; they just don't know as much about the game yet." "But," he adds, "they have something more. They are tremendously eager to learn; they just want to be told how."

Rounding out Fortner's staff are Willis Walker offensive line coach and Dick Blake who assists Walker and is the defensive coach.

Coach Fortner talks it over with one of his offensive units just before they run another play.

Legion Post #175 May Be Revived By Stow Veterans

American Legion, Roger Moore Post # 175 once bustling with activity is now quiet.

James Amlung would like to bring it to life again. He says persons on active duty in the Army, Navy, Marines, Coast Guard or Air Force on active duty from April 6, 1917 to Nov. 11, 1918; or Dec. 7, 1941 to Sept. 2, 1945; or June 25, 1950 to July 27, 1953 are eligible for membership.

Interested persons may contact James Amlung OV 8-5437, Arthur Amlung OV 8-3419, R. J. Reynolds OV 8-5238 or Chet Holt OV 8-8754.

Bulldogs To Play Under Lights Friday

Area football fans will see the Stow Bulldogs display their talents Friday, Sept. 2, 7:30 p.m. under the lights at Stow Stadium.

Head coach Dick Fortner has planned a freshman inter-squad game starting at 7:30. At 8:00 o'clock the varsity second team will go against the Revere High School second team. And at 8:30 the Revere and Stow first strings will swing into action.

This scrimmage will be played under game conditions.

It shapes up to be a full night of football complete with Stow High's marching band which will entertain between and during the games.

Before the game parents have been invited to the High School Gym. They will see equipment used by the players, medical facilities and demonstrations on such things as ankle taping.

Stow (on left) and Hudson linemen get set for the next play during a recent scrimmage.

Petition Started To Rehire Mullins

A petition is currently being circulated in Stow regarding the non-confirmation of James Mullins' appointment as patrolman of the Stow Police force.

The petition reads: "We, the undersigned, citizens of the Municipality of Stow, Summit

County, Ohio, do request the immediate reinstatement of James R. Mullins as Patrolman on the grounds that he has given outstanding and devoted service with the Police Department."

This office was told that the originator of the petition is a man who does not know Mullins personally, but wished to protest the principles, or lack of them, behind the release without apparent cause.

Stowites Want C. F. Water

Stow residents of the Wilson, Homewood, Gilbert and Caleb Rds. area are trying to tap into a 16 inch water main, owned by Cuyahoga Falls. Their efforts may get results soon.

C. A. Porter of N. Caleb Rd. appeared before Village Council Aug. 25 and explained all previous attempts to buy water for that area from Cuyahoga Falls had failed.

Consulting Engineer Thomas Sauter pointed out that Cuyahoga Falls former policy on selling water was very strict. Recently a study had been made indicating the Falls water system was only operating at 43 per cent of its potential he said, and now they are loosening their policy.

Reporter (Cont. from Page 2)

deal of time chasing fire engines. The siren walls, engines leave the fire house shooting off in all directions, I dash to my car camera in hand and roar off down the road behind them. Sounds exciting, romantic, like the true spirit of journalism, doesn't it? Well, I've never seen a fire yet — not even a puff of smoke.

I don't know what happens. They couldn't all be false alarms. I spend half an hour driving all over the country and then to find the fires out and the engines parked in the station looking as if they had never been anywhere.

These incidents are typical of others that came before and after. There isn't room for all of them here, but still we got out a newspaper every week.

When this is published I plan to be on a short vacation somewhere. I think I'll rent an airplane and hover about waiting for another Stow fire alarm. (I hope there isn't any of course.) Maybe I can track down Chief Saxe and his boys from the air and get a real authentic picture of a fire.

Council told Porter he would have to petition them to write a letter to the Cuyahoga Falls Mayor requesting the Falls sell water to the petitioners.

Guest Speaker At Chapel

Mr. Moe Richardson, regional service director for the Christian Service Brigade, will speak at the Stow Missionary Chapel Saturday, Sept. 4th and Sunday, Sept. 5th.

The Missionary Chapel here sponsors a branch of the Service Brigade which is a national interdenominational club for boys age 12 to 18.

Mr. Richardson will speak to the boys club on Saturday, and then speak to the Missionary Chapel's congregation Sunday.

Players Have Closed Meeting

A closed meeting, for members only, will be held Tuesday, Sept. 6, at 8:30 p.m. when Stow Players, Inc. officially open their seventh year of local little theatre activity.
