## TV'S Jim Graner, Former Bulldog, Wishes This Year's Team Success

Recalls Unique Play  
When He Was Captain

With great pleasure we publish an open letter to the Bulldogs from Jim Graner, former Stow football star (?-see later), and now popular sports announcer at KYW-TV and Radio WGAR, Cleveland. With his letter, Jim sent the first dues received for the 1960-61 Booster Club membership, and we swiped from his scrapbook a picture of the 1935 team, many of whose faces are still familiar in Stow. Thanks, Jim... P. K.

By Jim Graner

Chances are you don't know me. My football accomplishments at Stow High School were never of such proportions as to warrant special recognition to be forever recorded for upcoming generations to emulate. As a matter of fact, I was lucky to make the team.

On the other hand, if you're breaking training regulations, and still awake at 11:15 at night, you perhaps, are tuned to television, watching a certain sports program. You may also be wondering how this man could have ever played football for any high school, let alone Stow.

25 years is a long time. The game is more streamlined and scientific today. The players are bigger and faster. I played end on the 1935 & '36 football teams, weighing 135 pounds. But then we didn't have the extra weight advantage that comes from wearing the present-day face guard.

Peg Knight granted me this space in the Stow Press. My thanks to her for a chance to reminisce because so many happy years were spent in Stow.

My most vivid recollection of football at Stow concerns our only loss during the 1935 season and my responsibility for it. This is a true story - no embellishment.

Bill Barr, your current principal, was coaching the team of 1935. He undoubtedly recalls this. The team had won 5 or 6 straight and was playing an out-of-conference foe. All seniors had been named captain

for individual games - as was the custom in those days to appoint one for each contest - so he went to the juniors on the squad. He named me captain for the game against MacDonald

## Bands "Tag Day"

The Stow Junior and Senior High Bands will have their "Tag Day" Sept. 23 and 24. Funds will be used for additional band uniforms and more instruments and equipment. The instrumental music department is growing so rapidly much money is needed to keep it equipped.

## THANK YOU PROGRAM

An evening of field marching and variety spectacles will be presented by members of both bands following "Tag Day" on Saturday evening at 7:30 at Stow Stadium as a thank you to the community.

Coach Fortner invites the public to attend showings of the previous Friday night games' films every Monday at 8 p.m. in the High School Gym.

## Lions Getting Votes

Cooperating with more than 11,000 Lions Clubs in as many communities throughout the United States, the Lions Club of Stow plans a "Register to Vote" campaign which will open here on September 23.

In announcing the drive, President Milt Reinhart of the local Lions Club said that this will be the greatest nationwide effort to obtain 100% voter registration in the nation's history. "Regardless of party, the men we elect on November 8 will have the future of our nation, and its fate in a troubled world, in their hands. Working in their own communities, our Lions Clubs will place tremendous manpower behind this non-political, non-partisan effort to see that every eligible voter in the United States is registered to vote in the November 8 elections."

### Let There Be Light

Letter to the Editor:

I hope the authorities are considering fast action on Street lights for the corner of Graham Rd. and/or Lakeview and Adaline Dr. It's going to be rough to avoid accidents on foot or driving with the football season upon us and new exits and entrances to the parking lot.

Though police have been on duty there in past years, the only lights I've seen have been small flashlights in their hands. Driving east on Graham Rd.,

just before getting to the schools there is a rise in the road making it impossible to see pedestrians ahead. If a policeman's flashlight happens to be beaming away from an approaching car, he can very well be hit himself.

Many sportsminded and civic minded citizens are working hard to fill our stadium for home games. Let's help by lighting the way for the spectators, traffic managers and traffic!

Sincerely,  
Mrs. Fred Daugherty

they plan to have volleyball and golf classes for both men and women.

## Maureen Evans Weds Peter Kensicki, Jr.

The marriage of Miss Nancy Maureen Evans, daughter of Mr. and Mrs. Harry M. Evans, 3682 Fish Creek Road, Stow, and Mr. Peter John Kensicki, Jr., son of Mrs. John E. Lucas of 2433 North 4th St., Columbus, was solemnized in a candlelight ceremony Sat., Sept. 10 at 7 p. m. in Christ Church Episcopal, Kent. The Rev. Forrest Bond officiated, assisted by acolyte David Evans, brother of the bride.

The bride, given in marriage by her father, wore a dress of peau satin with a bodice of Chantilly lace with long sleeves. Dainty lace appliques accented the scooped neckline. A wide band of lace circled the floor length skirt of satin. She wore a matching lace crown edged in seed pearls with a finger tip veil of illusion. Her jewelry was a pearl necklace and earring set, gift of the groom. She carried a cascade bouquet of fiji mums, poms and feathered carnations, twined with ivy.

The matron of honor, Mrs. Bruce D. Evans, sister-in-law of the bride, wore blue velvety satin with scoop neckline and short sleeves. Roses of the same material were on the matching cummerbund and the full skirt. She wore a matching Swedish crown hat with short veil. Her bouquet was of blue tinted, feathered carnations and poms.

The bridesmaids, Miss Beverly Stuart of Kent and Miss Betty Boggs of Akron, wore similar dresses with matching pillbox hats.

The flower girl, Ginger Ann Barty wore a blue silk dress with white organza overskirt and carried a basket of white flowers.

The best man was William MacNealy of Columbus. The ushers were Jack Witter of Columbus and Henry Evans, brother of the bride. Another brother, Bruce Evans of Detroit, assisted. Mrs. Harry L. Simpson of Akron acted as interpreter.

A reception was held in the undercroft of the Church immediately following the ceremony.

Mrs. Kensicki is a graduate of Kent State High School and attended Gallaudet College where she was affiliated with Delta Epsilon Sorority. Her husband attended Indianola High School and is employed by Harmony Dairy Co. After a wedding trip to Niagara Falls, they will reside in Columbus.

Mrs. Joseph B. Girard (Mary), 1986 Liberty Rd., is well on her way to recovery following major surgery at Akron City Hospital.

Jim Graner (Cont. from Page 1)  
High School. I also did the place kicking for the team.

At midfield we won the flip of the coin. Since I kicked off and enjoyed doing so, instead of electing to receive or at least to defend the goal with the wind to our backs, my choice was to kick. The opposing captain with his 2nd choice, chose the goal with the wind behind him.

Returning to the huddle, coach Barr asked how we made out. I said: "Fine, we won the toss". "Good", says he, "What are we doing?" "Kicking against the wind", I replied. He was completely aghast at how a captain could win the toss, and end up kicking against the wind. But I had done it. Remember now - I liked to kick the ball.

On the kick-off came a most unusual play. Perfectly legal but I've seen the play pulled just once and it was on this day.

The MacDonald back who received the kick-off - punted the ball back to us - hitting a player who couldn't handle it, and the Macs recovered within our 20 yard line. Minutes later they had scored a touchdown, and the final score was 6 to 0 - our only defeat of the season. And only because I liked to kick the ball. It wasn't surprising that Graner never captained another game. That story has been relayed to Paul Brown during my travels with the club - and he seems quite content, indeed insistent, that I remain in the broadcasting booth, as far away from the action as possible, and has as yet, in 6 years, to ask me for my opinion on football.

These names will ring familiar to you who have been around Stow for 25 years. Boys on those teams of '35 & '36 were Don Stein, Bob Green, Paul Monteith & Max Troesch. Neil Nickerson, Murray, Wilbur, Leonard and Gruber. Lambert, Anderson, Carlson, Beckwith, Huddleston & Schlemmer. On the right side of the line, my position was next to Don Stein, the best tackle in the Metropolitan League. I used to trail him in the pursuit of a runner, waiting until he hit him, brought him to his knees, then I'd pile on. All in the hopes of creating the illusion I had made the tackle. It didn't work. He was named the most valuable player and captain of the squad the following year. The only logical choice.

There is of little purpose to my ramblings here, but I did want to extend to the Bulldogs of 1960 - my sincere and best wishes for a successful and winning season.

And now for the kick-off. And for heavens sakes! Receive if you win the flip of the coin.

## Drop Opener 12-8

In spite of renewed fighting spirit, Stow lost their first game to Green, 12-8. Conner capped a 50 yd. drive for a touchdown early in the game, Koski converting the extra 2 points.

Coach Fortner commented, "The reason we lost was 3 bad breaks...even though we came out on the short side, we were the better team".

Mel Schneider, 173 Northmoreland, with the 4' 1 1/2" Muskie he caught the weekend of September 10 in Bell River, Lake St. Clair, Michigan. Also on the fishing trip were Harold Bond, Dana Feather, Harold Archer and Bill Schneider.

## HIGH WAYS

by Terry Moore

First off, the Girls' Athletic Association is having a spectacular car wash this Saturday. All the girls belonging to the club, ranging from Freshmen to Seniors, will be on hand at the Stow High School semicircular driveway to wash your cars. The girls welcome you to bring them anywhere from 10:00 in the morning till 5:00 in the after-

noon. Your cars'll be done spic and span inside and out for a dollar donation and whitewalls are even free! So let's support our hardworking highschool teenagers.

Let's go!!

Your attendance is needed immensely at the Stow vs. Norton game tomorrow night! It is the first home game (there are only four this year - all at Highland Grade School Field.) A special section is going to be reserved just for the alumnae of Stow High.

We had the "bestest" pep rally ever yet, last Thursday night at the bonfire site on the old athletic field. I've never seen such great spirit on the part of the crowd! It was marvelous! Each one can be better and better though, by more people turning out. Seniors seem to be falling down in supporting activities and the year has just begun.
